

Stress BP End of Life Notice

February 1st, 2017

The product taken End of Life (EOL) is the Tango.

SunTech Medical, Inc. confirms that the Tango Stress and Exercise Blood Pressure Monitor was discontinued as from December 1, 2007. These monitors are part numbers: 99-0001-XX and 99-0026-XX. This product is now retired and no longer supported by SunTech Medical.

The Tango M2 Stress BP monitor, launched in July 2013 replaces the Tango. For more information on the Tango M2, please visit our webpage: www.suntechmed.com.
